MASSACHUSETTS: FREEPOINT HOTEL, CAMBRIDGE

A tight budget doesn't mean you have to compromise on a stylish stay in Cambridge, Massachusetts: at the [Freepoint Hotel](#), rates start from just \$89 a night. The property has lots of arty detail, including a Polaroid wall displaying the community's history. Plus, there's a open-air courtyard with fire pits and an on-site restaurant. Best of all, as dogs are welcome, there's a good chance of bumping into some seriously cute pups.
